American Legion Auxiliary Anderson Unit 34 Operation Military Cheer

Greetings to All,

The American Legion Auxiliary Anderson Unit 34 would like to host Operation Military Cheer again this year. Assistance from The Kentucky National Guard Family Programs would be greatly appreciated by collecting paperwork, confirming membership and referring families to The American Legion Auxiliary.

With the holidays right around the corner it's time for all of us as a state and community family to reach out and help our hometown heroes in our local communities who may need assistance. Last year Operation Military Cheer was able to provide gifts consisting of gift cards, clothes, shoes, and toys for over 380 youth in The Kentucky National Guard. With the help of each service member, unit, FRG leader, and the local community we can support these military families that sacrifice so much of themselves for our country.

Are you or do you know a service member in need? Attached you will find an application to receive assistance through Operation Military Cheer. Please fill out this application and send it to the contact listed below. Please keep in mind that the qualified service members are E6 and below; all others may be considered depending on circumstances. If you do not qualify we will ensure to provide other resources to help assist in any way possible. Please feel free to pass this along to someone you know who may need assistance. The deadline to apply is 5 December 2016. All packages will need to be picked up at one of the local KYARNG 16 armory locations listed in the following application.

If you would like to adopt a military family, please fill out the attached application. Please send back to the contact listed below and we will contact you with the age, gender, sizes, and special interests of a child you can assist. Packages will need to be returned to American Legion Auxiliary Anderson Unit 34, 725 West Broadway Lawrenceburg, KY 40342 no later than 12 December 2016.

Thank you for your support!
